SEE TERMS AND CONDITIONS FOR DETAILS

# Terms and Conditions

## For DuPont™ Harmony® & Express® Early Booking program:

1. To qualify for a DuPont™ Harmony® & Express® Early Booking rebate, a grower must complete, sign and return a DuPont Pre-Season Program form to DuPont no later than February 20, 2009.
2. When a qualifying grower purchases a minimum of 24 cases of DuPont™ Harmony® brands (Harmony® SG, Harmony® K and/or Harmony® C), they are eligible for a rebate of \$60/case. If they purchase more than 48 cases (1,920 acres), they are eligible for a rebate of \$80/case.
3. Once a grower has qualified for a Harmony® Early Booking rebate, they are also eligible to receive a 15% rebate on total net purchases of DuPont™ Express® brands (Express® SG, Express® SG PrecisionPac™ and/or Express® LW) up to a maximum of matching acres of Harmony®. Growers must purchase a minimum of 320 acres of Express® to qualify.
4. Application rates for Express® SG and Express® LW will be calculated at 80 acres/jug, Express® SG PrecisionPac™ at 6.1 g = 1 acre.
5. Grower purchases qualifying for DuPont™ Harmony® & Express® Early Booking rebates are also eligible for DuPont broadleaf savings and Express® Scorching Hot Deals program and the DuPont canola seed Every Acre Bonus Express® rebate. These purchases are not eligible for any other DuPont product offers in 2009 unless specifically stated otherwise.
6. Harmony® brand purchases qualify for the Syngenta Partner Program™. Refer to Partner Program Terms & Conditions for complete details.

## For DuPont Broadleaf program:

1. To qualify for a DuPont Broadleaf rebate, a grower must purchase and apply a minimum of 320 acres of one or a combination of Refine® SG, Refine® M, Triton® C and/or Refine® SG PrecisionPac™.
2. Once qualified, growers are eligible to receive an 8% rebate on Refine® SG and Refine® SG PrecisionPac™, and a 4% rebate on Refine® M and Triton® C up to a maximum combined purchase of 1,600 acres.
3. Once a grower has qualified for a DuPont broadleaf rebate, they are also eligible for the Express® Scorching Hot Deals program: a 15% rebate on DuPont™ Express® brands (Express® SG, Express® SG PrecisionPac™ and/or Express® LW) up to a maximum of matching acres of DuPont™ Refine® and Triton® brands. Growers must purchase a minimum of 320 acres of Express® to qualify.
4. Application rates for Refine® and Triton® brand products will be calculated at 40 acres/unit, Refine® SG PrecisionPac™ at 12.15 g = 1 acre. Express® SG and Express® LW will be calculated at 80 acres/unit, Express® SG PrecisionPac™ at 6.1 g = 1 acre.
5. If a grower's total net purchases of broadleaf products are more than their Express® purchases (measured in acres), rebates on purchases will be processed in the following order: Refine® SG, Refine® SG PrecisionPac™, Refine® M and Triton® C.
6. Grower purchases qualifying for DuPont broadleaf savings and Express® Scorching Hot Deals program are also eligible for DuPont™ Harmony® & Express® Early Booking rebate and the DuPont canola seed Every Acre Bonus Express® rebate. These purchases are not eligible for any other DuPont product offers in 2009 unless specifically stated otherwise.

## For both programs:

1. All purchases must be made between December 1, 2008 and June 30, 2009.
2. Growers must submit purchase information and rebate requests to DuPont.
3. All rebate claims must be signed by the grower and received by DuPont no later than October 15, 2009.
4. Rebates will be calculated on purchases net of any returned products.
5. DuPont reserves the right to verify net purchases.
6. Rebates will be based on grower invoice price to a maximum of 2009 DuPont SRP.
7. In order to qualify for the above rebates, products must be used by the same grower who purchased them, on a single farming operation.
8. All purchases must be made from an authorized crop protection retailer in Western Canada with CropLife Phase III facilities.
9. **Presumption of Consent:** I understand that by filing a claim and sending to DuPont the related proof of products purchased and any related documentation, I authorize E. I. du Pont Canada Company to use my information provided as a basis to send me information that is relevant and useful to my farm. I understand that if I do not want to receive product/offering information from DuPont, I will contact them at 1-800-667-3925.
