PERFORM WHEN THE HEAT'S ON

NOMEX® COMFORTWEAR™ COLLECTION

PERFORM WHEN THE HEAT'S ON

NOMEX[®] COMFORTWEAR[™] COLLECTION

The NOMEX[®] Comfortwear[™] Collection:
new shirts and coveralls with
flame-resistant protection

SO COMFORTABLE, YOU'LL FORGET IT'S FR.

Flash fires and electric arcs happen in an instant. There's no time to make a decision or to take the proper precautions. Until now. With the NOMEX[®] Comfortwear[™] Collection, a new product line offered by DuPont Quality Licensed manufacturers, you can protect yourself against the threat of electric arcs and flash fires and enjoy the added bonus of being comfortable at the same time. So comfortable, in fact, that you'll forget you're wearing flame-resistant (FR) clothing.

These new shirts and coveralls—the first offering in the NOMEX[®] Comfortwear[™] Collection—are light, soft, comfortable and offer the premium FR protection industrial workers require. NOMEX[®] Comfortwear[™], which is available in various shirt and coverall weights, provides comfort, protection and durability that is superior to flame-retardant-treated cotton.

EXTRAORDINARY COMFORT

- NOMEX[®] Comfortwear[™] is soft, supple, lightweight and breathable.
- Transports moisture away from the skin.
- Keeps workers cool and dry, so they can focus on the job at hand and comfortably perform to their fullest potential.
- Workers will want to wear it every day, not feel as if they have to.

EXCEPTIONAL PROTECTION ASSURED WITH NOMEX[®] TECHNOLOGY

- NOMEX[®] Comfortwear[™] coveralls meet standards such as NFPA 70E Standard for protective apparel for electricians.
- Does not melt and drip like polyester/cotton blends when exposed to electric arcs or flash fires.
- Acts as a protective barrier between workers and intense heat and flame.
- Reduces burn injuries.
- Provides workers with valuable seconds of escape time, should they be exposed to these hazardous situations.
- NOMEX[®] Comfortwear[™] meets proposed NFPA 2112/2113 standards.

EASY CARE AND DURABLE PROTECTION

- NOMEX[®] Comfortwear[™] is easy to launder—standard home/commercial laundering and dry cleaning techniques provide good results.
- Excellent appearance retention—maintains a fresh-pressed appearance.
- Available in a variety of shirt colors such as khaki, denim, navy and light blue.

EXCELLENT VALUE

- Lasts longer than other flame-retardant-treated cotton, which results in a better economic value.
- Requires low replacement budgets.

NOMEX[®] Comfortwear[™]. So comfortable, you'll forget you're wearing FR.
