

DuPont™ Sontara® Bulk Products

DuPont™ Sontara® offers Bulk Products for the economy wipe market. These high volume packages are a great choice when performance is desired at a lower price point.

Solvent Wash & Dry Cloth Bulk (Blue) E-4666

- Great for applying and removing solvent or cleaners
- Large and super absorbent
- Virtually lint-free
- Offers excellent strength, wet or dry

Maintenance Wipe Bulk (Blue-green) E-4968

- Great for heavy duty cleaning tasks: mechanical work and engine repair
- Super strong and absorbent
- Stands up against dirt, grease and grime
- A disposable alternative to laundered shop towels.

Cleanup Wipe Bulk (White) E-4969

- Perfect for light duty cleaning: wiping off hands, spills and equipment
- Lightweight but strong and absorbent
- Cost effective – users find they need fewer wipes for each clean up

Primary Tack Cloth Bulk (Green) E-4587

- Has a medium tackifier that effectively picks up dirt while minimizing potential tack transfer.
- Conforming fabric that is flexible enough to access hard to reach areas.
